

Better...naturally<sup>®</sup>  
**Rhizogen<sup>®</sup> LF+M**

## LIQUID BIOLOGICAL AMENDMENT

Encourages soil and plant health in all major commodity crops, fruits, vegetables, nuts, ornamental plants and grasses.

Eco-friendly and beneficial to the environment.

Rhizogen<sup>®</sup> LF+M<sup>™</sup> is an eco-friendly liquid microbial amendment that supports soil and plant health.

### Beneficial Bacillus Bacteria

Rhizosphere bacteria concentrate around roots for superior soil health and fertility

### Beneficial Mycorrhizal Fungi

Supports soil structure for greater water absorption, root establishment and salt damage remediation

### Enhanced Nutrient Cycling

Accelerates NPK and nutrient uptake

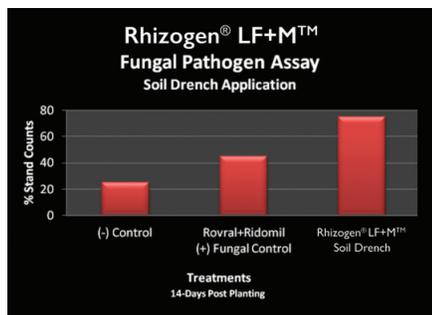

# Rhizogen<sup>®</sup> LF+M<sup>™</sup> Applications

- Agriculture –**
  - Row Crops, Vegetables, Trees, Nuts, Turf
- Horticulture/Greenhouse**
- Erosion Control & Restoration**
- Hydroponics & Aeroponics**
- Forestry**
- Arbory & Landscape**
- Seed Coating & Treatments**

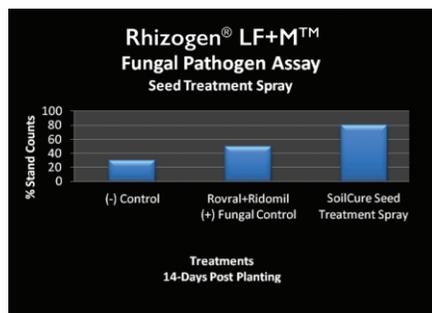

- Soil biodiversity is the key to soil health, plant photosynthesis and water conservation.
- Rhizogen<sup>®</sup> LF+M<sup>™</sup> is a premium liquid microbial product that promotes soil health and fertility.
- Rhizogen<sup>®</sup> LF+M<sup>™</sup> is specially formulated with beneficial Bacillus bacteria spores and Mycorrhizal fungi.
- Rhizogen<sup>®</sup> LF+M<sup>™</sup> improves soil health through greater biodiversity

**Rhizogen LF+M maximizes profits with optimal nutrient uptake and disease containment.**

Rhizogen<sup>®</sup> LF+M<sup>™</sup> as Soil Drench Application

**Rhizogen<sup>®</sup> LF+M<sup>™</sup> - A cure for your soil against pathogens**

Rhizogen<sup>®</sup> LF+M<sup>™</sup> as Seed Treatment Spray

See for yourself how Rhizogen<sup>®</sup> LF+M<sup>™</sup> gets proven results!

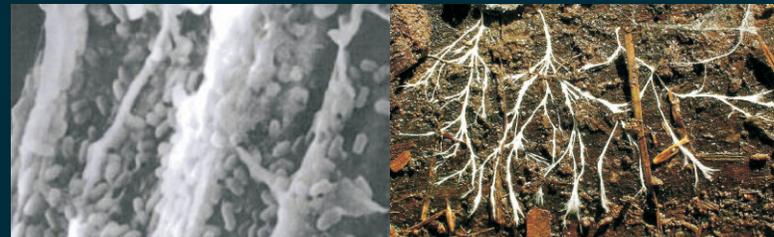

Rhizogen<sup>®</sup> LF+M<sup>™</sup> Full Strength    Rhizogen<sup>®</sup> LF+M<sup>™</sup> 1:5 Strength    Rhizogen<sup>®</sup> LF+M<sup>™</sup> 1:20 Strength    Control
